

# THE KING WILLIAM IV

## Country Inn & Restaurant

Issue Date: April 2016

*Simon Biggar, Sous-Chef*

As we step into spring, it's always exciting to see the first glimmer of sunshine, prompting us to bring out the alfresco dining furniture and twinkling garden lanterns. April sees the launch of our Spring/Summer menu and the celebration of a remarkable 180 years of hospitality at The King William IV. Another great milestone is our ever-successful kitchen team and especially our sous-chef Simon Biggar who marks 10 years of dedicated service. Cheerful Simon is not only very talented, he is a great team player and much valued member of our staff. Together with head chef Chris, he will continue to delight you with their creative and mouth-watering dishes.

### NOW New Menu

This season, it's all about great pub food, cooked to order using as much locally-sourced produce as possible, as well as a variety of exclusive dishes specially created by head chef Chris Marshall and his team. Highlights of the new Spring/Summer menu include sundried tomato and Gurney Gold cheese stuffed guinea fowl breast, garlic and lemon thyme marinated red mullet fillets, and sweet chilli glazed pork belly. The lunchtime menu offers fresh sandwiches and baguettes, served with a choice of fillings and a bucket of hand-cut fries.

### Wine O'Clock

Our carefully selected wine list comprises nine wines offered by the glass, as well as an extensive choice of great quality wines from around the world.
